study: 80s and 90s. This was the present in the East Coast, and present in Canada in general. People whose careers and gains have been made in government, and whose fortunes have risen and fallen in response to taxes, spending, regulations, and more regulations, who hold themselves to be "Progressive" and "Liberal" is precisely the same people who are now taking aim at budget cuts or tax increases by appealing to "us," as they choose to label themselves. This is blatantly obvious. We are being presented with the same "Liberal," it's just that they want to give us some of the money we lost when they stole it and redistributed it.

Case study: 2000s. The Progressive Conservative Party was created
